For example, select **seller**, then click **ADD**

Verkäufer

ADD

Then select your choice.

Now add the next attribute in the same manner, until you have all of your attributes.

Under the attribute **CHARITY** you can choose to donate the proceeds from your sold product to one of the listed charitable organisations.

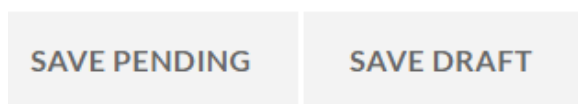

Under the attribute **ATTRIBUTE** you can select if your product is **vegan, eco-social, or recycled**.

You need to click on General once you are finished with the Attributes to proceed.

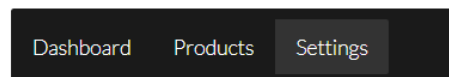

Once you have finished the description and are ready to upload the product, please click on **SAVE PENDING**. We will review the description and contact you before publishing the item on our website to let you know if the product and price are acceptable.

By clicking on SAVE DRAFT you can continue to edit, or add more photos, before sending the completed list to us.

Please don't forget to enter your username under
